

Westville Police Service

"Committed to building a safe, healthy, friendly, and engaged community through a high level of policing"

Westville Police Service members responded to 94 calls for service in the month of February 2020. Of the calls for the month, 21 criminal investigations, 11 other provincial statues, 5 municipal by-law enforcement, are 24 motor vehicle related and 33 are other calls to service.

On February 7, 2020 Westville Police Service received a call from a resident stating that someone had entered their vehicle. The call came from the area of West Street where the owner of the vehicle had stated that although nothing was missing from the vehicle it had been gone through. Westville Police Service spoke to several other residences within the area but there were no other reports of vehicle being entered. If anyone has any information regarding this occurrence you can contact us by phoning (902)396-4911. Westville Police Service would also like to take this opportunity to remind all vehicle owners to lock their vehicle at night and remove any valuables that may be visible as well.

Also on the same day the Westville Police Service received a complaint from a home owner on Hoyt Street that there had been someone that had been trespassing on their property and although someone had entered their shed there was nothing missing. The Westville Police Service is encouraging residence that if you see anything suspicious around anyone's property no matter the time of day please call our dispatch line at (902)396-4911.

On February 6, 2020 a resident of the Town of Westville called in to the police department to report finding a used syringe around the Diamond Street area. The person who found the syringe turned it over to Lawton's Drugs located on Main Street here in Westville. Westville Police Service would like to take this opportunity to let the residence of the Town know that if anyone finds any needles and or syringes to do touch them, but to contact the police right away. Please do not touch or handle any needles and or syringes that you may find on the street or in any area.
