

Town of Westville
PO Box 923
2042 Queen Street
Westville, NS
B0K 2A0

Coronavirus Disease – COVID-19

The Town of Westville’s Emergency Management Team is working closely with regional partners on ensuring appropriate messaging is being shared to prepare for and respond to the increased likelihood of additional COVID – 19 infections in Canada.

Practicing good hygiene remains the best defence against illness. We want to ensure that we are all taking the necessary precautions in hand washing as we normally would for a flu season.

Information relating to municipal programming will be shared on the Town’s Facebook page – Town of Westville, as well as other public health messaging.
