2. **Roll Call**
3. **Approval of the Agenda**
4. **Disclosure of Conflict of Interest**
5. **Public Hearing – Alternative Voting By-Law**  
This section of the meeting is to review any letters of concern or support of the Alternative Voting By-Law. (As of July 9, 2020 no letters or phone calls have been received.)
6. **Scoop Ice Cream –**  
Richard Tomlinson of Here's the Scoop Ice Cream is requesting permission to operate on an occasional basis his Ice Cream Trailer at 1984 South Main Street (Vacant Lot Beside Splash Pad). The Town currently has no by-laws or policies related to permitting for peddlers, therefore Council will need to advise if this can occur on its property.
7. **Alternative Voting By-Law–**  
As per Council's directive and the MGA, the Alternative Voting by-law has been posted to the Town's website and available at the CAO's office for Public Review. Advertising has also occurred within the guidelines provided by the MGA.
8. **Voting in October 2020 Election-**  
If Council wishes, they can choose to conduct a completely electronic election for October 2020. A motion would need to be made to the same. (That would not stop from having a single electronic polling station, it would simply mean no paper ballots).
9. **Appointment of Returning Officer-**  
As Council is aware, should they choose to do an electronic election a Returning Officer would need to be appointed.
10. **Adjournment**
